Date 10/01/18

Dear Potential Sponsor:

I am contacting you regarding a unique sponsorship opportunity for the Port City Pirates Youth Wrestling Club. The Port City Pirates have a long tradition of excellence for not only producing champions on the mat, but also producing strong leaders in our community:

- Elementary Team State Champions (2012, 2014)
- Over 25 Individual Youth State Champions
- Over 10 Individual Youth National Champions
- Over 25 of our youth wrestlers went on to be All-State in High School. 6 went on to be High School State Champions.

The 2018-2019 season is upon us, beginning on November 1st and ending February 28th. Being that the Port City Pirates is a not-for-profit entity, there are some expenses your sponsorship would help alleviate...for instance, shirts for all the team members, trophies for the end of the year banquet, travel expenses for competitions for coaches, and the end of the year banquet itself which will include food and drinks, etc. These are all items our athletes deserve to have after a long season of training.

Sponsorship Opportunity

Our Wrestling Club is seeking the following sponsors:

- Two (2) \$500 sponsors for our team shirts. Each of these sponsors will be on the back of the Port City Pirates "Team shirt". These will be the only sponsors on our shirts.
- One (1) \$600 sponsor for the "end of season" trophies. The sponsor's name will be engraved on our team trophies.
- Banner Sponsor: banner will be placed in the PC Pirates wrestling for the season (Nov-Mar). Sponsors will be thanked via social media and emails to an existing data base of 3000 members. Banners will be in the background of all pictures and other social media posts as well.

If you require further information or would like to arrange a meeting, please contact Dan Willis at Port City Sports Performance (910) 232-2297 or email matmandan@aol.com.

If this offer of sponsorship is acceptable, PCSP will prepare a more detailed document that will serve as a contract between us. We look forward to a successful partnership.

Sincerely,

Jeremy Lewis, PSCP
